Administrative Notes:

1. STACKABILITY: This program may not be used in conjunction with the Government Direct, SABO, Special Discount, Full Time Equine Customer MSRP Discount, or Equine Race Tracks Customer MSRP Discount programs.
2. STACKABILITY: Offers S4 and S5 are stackable. If a purchase qualifies for S5, S4 should be claimed as well.
3. This program has a set budget and may be canceled early if budget is exhausted.
4. For Gen4 CommandCenter Automation 4.0 Activation OR GS Advanced License, one of the listed option codes is required to be eligible for the bonus.
5. Universal Displays: Renewals of GS Advanced or Automation 4.0 are not eligible for the Incentive. Displays cannot have had a GS Advanced or Automation 4.0 license 28 October 2023 or later. Only displays with serial numbers meeting these criteria will be eligible in StellarSupport.
6. Universal Displays: The incentive can only be used to purchase or upgrade a single one-year license for each eligible display. The incentive will be up to \$500 and will not exceed the cost on prorated upgrades, regardless of the duration of the upgraded license.
